

Step 1

Lay a large square napkin out on a flat surface. Fold the top and the bottom edges inwards so that they meet in the middle, forming a rectangle.

Step 2

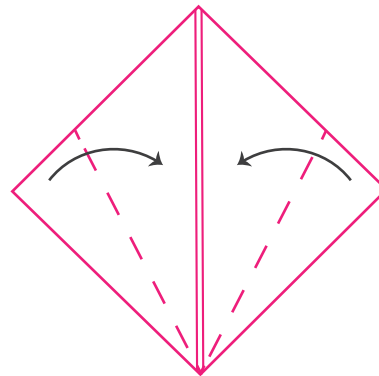

Fold the top left and right corners inwards, forming a perfect triangle when the edges meet.

Step 3

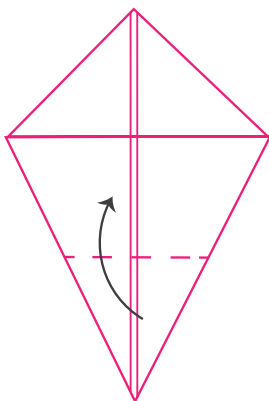

Now fold the bottom right and left corners up to meet at the top point, forming a diamond.

Step 4

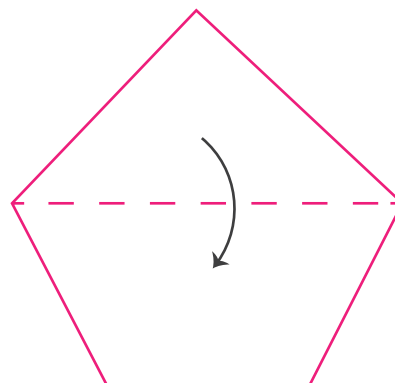

Fold the bottom left and right edges towards the centre so that they neatly meet in the middle, forming the shape of a kite.

Step 5

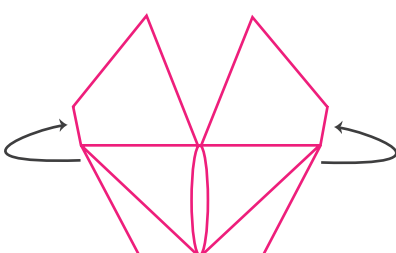

Fold the bottom point up to meet with the centre of the kite shape.

Step 6

Turn it over. Now fold the top flap down to meet the bottom edge of the shape, revealing the bunny ears.

Step 7

Fold the left and right sides to the back and join them with a brooch or safety pin and ribbon. Gently tug the bunny ears into shape and prop the bunny up using the flap at the back.
